The 2nd International Iran Javan Photo Festival Photography Contest: “The Image of the Iranian Youth”

The Public Relations and Information Center of the Ministry of Health and Medical Education, with the central role of Torbat Heydarieh University of Medical Sciences and in collaboration with the Tasvir Sal Iranian Cultural and Artistic Institute, is organizing the 2nd International “Iran Javan” Photo Festival featuring the photo competition “The Image of the Iranian Youth.”

This event highlights the characteristics and future-shaping roles of Iranian youth within the family and society, as seen through the lens of photographers, and will be held in four categories with the following themes:

- **Category I:** The Image of the Iranian Youth (Photography with Camera)
- **Category II:** The Image of the Iranian Youth (Mobile Photography)
- **International Category:** The Young World – The Role of Youth in Shaping the Future of the World (Photography with Camera and Mobile)

Showcasing the active participation of young people from different countries in building the future of the world across social, economic, cultural, and other spheres

- **Special Category:** Saffron – The Warmth of Iranian Families (Photography with Camera and Mobile)

This section introduces saffron as one of the most significant and symbolic products of the Torbat Heydarieh region and highlights its impact on family life.

Photographers are invited to capture images portraying the cultivation, harvesting, and processing of saffron, as well as its role in the livelihood of households and the local culture in saffron-producing regions across Iran.

The goal of this category is to promote awareness of saffron’s importance in the economic and social life of families and to honor the dedicated efforts of farmers engaged in this valuable field.

Main Competition Themes:

- Captured moments of emotional connections between young people and their families in Iran (parents, siblings, grandparents).
- The presence and role of youth in creating a joyful and hopeful atmosphere in society.
- The role of mothers in nurturing and promoting the health of the young generation.
- Wedding ceremonies in rural and urban areas of Iran.
- National and international achievements of Iranian youth in scientific, artistic, athletic, and other fields.
- The presence and contribution of the young population in shaping the history, civilization, and culture of today’s and tomorrow’s Iran.

Competition Schedule:

- **Deadline for Submission of Works:** November 23, 2025 (3 Azar 1404)
*Note: Due to time constraints, this deadline will **not be extended** under any circumstances.*
