Writing for Emerald

Guide to Getting Published

Editing Service

Editor Interviews

How To Guides

Emerald Literati Network

For Authors

Support and services

Use the For Authors section to find information on all aspects of writing. Get practical tips and guidance on how to get your – or your students' – work published and maximize dissemination. Hear what editors themselves look for in papers, contact experienced copy editors to help improve your paper, or have an expert come to your institution to give advice on how to get published direct from the publisher.

"Your author relations initiatives are unparalleled in the publishing world."

– Baird Brightman, *Worklife Strategies*,
MA, USA.

Writing for Emerald

If you are researching, teaching or consulting in management, or are yourself a manager with something to say, we aim to be your publisher of choice. Discover the benefits and opportunities in our [Writing for Emerald](#) section.

Editor interviews

What are, and what will be, the hot topics in your interest areas? What criteria do editors and reviewers use to select papers? How could you increase your chances of publication? Find out by [hearing what our editors have to say](#).

Editing service

The [Emerald Literati Network Editing Service](#) allows authors to contact experienced copy editors to help improve the standard of English in a paper before it is submitted to a journal for consideration.

Emerald Literati Network

Find out who has won one of our prestigious [Emerald Literati Network](#) awards. These awards recognize the efforts of authors and editors and celebrate the outstanding contributions many have made, not only to our journals, but to the body of knowledge itself.

Insider's Guides to Getting Published

Emerald [Insider's Guides to Getting Published](#) are a unique initiative – advice on how to get published direct from the publisher. Why not host a presentation at your institution?

"How to..." guides

A comprehensive set of ["How to..." guides for authors](#) – advice direct from the publisher on planning, writing and revising an article, by yourself or with others, to maximize its chance of acceptance by your chosen journal.

Information Management

Managing your Library

Marketing your Library

[Home](#) > For Librarians

For Librarians

Comprehensive solutions to the issues facing library and information professionals

Emerald for Librarians is designed specifically for the library and information science (LIS) community to improve information services and better serve library users.

[Become a member now](#), just follow the link from the site home page and fill out the membership form to receive full access to our librarian resources. It's free!

Emerald for Librarians resources emphasize the key role that information professionals can play in encouraging learners at all levels within their institutions by providing the following features:

Managing your library

Today's librarian has to be a fully rounded manager. Emerald for Librarians draws on the best [current management thinking and research](#), and presents it in such a way that busy librarians can easily adapt it to their needs.

Marketing your library

Everyone recognizes the importance of maximizing the use of the library's resources and justifying the role that the library plays in the university. This section presents key articles on [marketing your library's](#) services.

Information management resources

Keep up with the latest technical developments in library and information management. Our [information management resources](#) include:

- Regular interviews and viewpoints
- Features of the month

Features of the month

Are you looking to improve your daily information services activities or personal professional growth? Then visit our LIS [features of the month](#) section for the latest event and book reviews, noteworthy product information and more!

Research Zone

Research Awards

Winning Research Funding

How To Guides

Research Connections

Research Zone

Resources for a worldwide research community

Emerald's Research Zone is designed to provide advice and support on how to keep up to date with the latest research and developments in the management area.

Use the Research Zone to find information on designing a research study, designing a survey, finding a research collaborator and much more. You can also access the most comprehensive collection of links to international management conferences available for researchers today.

Research awards

Emerald actively promotes and rewards [research in management and LIS](#). As well as funding for research projects, Emerald also bestows awards for doctoral research and case study research.

Winning research funding

This six-part adaptation on [winning research funding](#) is presented as part of Emerald's continuous relationship with academic researchers and writers around the world.

"How to..." guides

["How to..." guides](#) for researchers – practical tips and guidance on how to design, develop and present your research.

Research Connections

[Research Connections](#) is an online meeting place providing the opportunity for researchers to contact like-minded professionals and showcase their work.

Conference Central

[Conference Central](#) – selected events from around the globe – a comprehensive collection of links to international conferences and events in management, library and information science, and engineering. Use it to find out which conferences Emerald staff, editors and advisers will be attending and pinpoint the right event for you.
