Hojjat Pourfathi Nematabad

Personal Information:

Nationality: Iranian

Date of Birth: 1980.22.5

Place of Birth: Tabriz

Material Status: Married

Contact Information:

Academic Rank: Associate Professor

Department: Anesthesiology and Critical Care Medicine

Address: School of medicine, Department of Anesthesiology and Critical Care Medicine

Tel: 09143138969

Tel (Hospital): 0413 34412000

Fax: 0098 411 3334 1994

Email: hojjatpourfathi@yahoo.com

Languages and degree of proficiency:

1. Persian: full skill
2. Azeri: full skill
3. Turkey: Moderate skill
4. English: Moderate skill

Education and Qualification:

1. **High School:** Mehr High School, Tabriz, Iran (1994-1998)
2. **General medicine:** Tabriz University of Medical Sciences, Tabriz –Iran (1999-2007)
3. **Specialized residency in Anesthesiology:** Imam Khomeini, Shohada, Shahid Madani and Nikookari Teaching Hospitals, Tabriz University of Medical Sciences (2007-2011)
4. **Board certified in anesthesiology:** Tabriz University of Medical Sciences, Tabriz-Iran, 2011(sixth score in Iranian anesthesiology board exam).

5. Title of thesis and approval date:

The Comparison of CT Angiography with Digital Separation Angiography in Diagnosis of Aortic Coarctation. Approval Date 2005/7/27

The Comparison of blood pressure index with RPP in abdominal prostatectomy. Approval date 2009/3/2

Academic Position:

Associate professor of anesthesiology, Department of anesthesiology, Tabriz University of Medical Sciences 2013 up to now.

Job Records and Responsibilities:

- Anesthesiologist at Master of Bostan Abad's Shahriar Hospital (2012-2013)
- Faculty of Tabriz University of Medical Sciences (2013 until now)
- Membership of Research Council of Anesthesiology Department
- Director of CPR team at Taleghani teaching Center
- Director of CPR team at Nikokari teaching center
- Director of the operating room of the Taleghani Center on 16/1/2007
- Director of hemovigilance at Nikokari Center, 10/2/2016
- Director of Intensive Care Unit in Critical Management, 11/3/2017
- Director of Anesthesiology Department of Taleghani Center-13/3/2014
- Director of Operation room at Taleghani Center -18/1/2015
- Vice chancellor of education of anesthesiology at Nikokari Center - 6/2/2013
- Chief director of practice in crisis management at Taleghani Center 2/3/2017
- Director of anesthesiology assistant's affairs - 3/2/2015
- Director of Promoting Maternal Painless Delivery at Taleghani Center -14/6/2014
- The head director of operating room of Taleghani Center, 12/13/2012
- Executive vice chancellor of clinical affairs of Tabriz University of Medical Sciences, 29/10/2017- 22/6/2019

Setting up

- Membership of the Committee for Establishment of Mardani Azar Hospital
- Membership of Executive Team of ICU Taleghani Center
- The Establishing of Research Committee at clinical affairs.

Membership of the committees

- The director of advertisement and support committee of student's Quran Center
- Membership of committee of drug and medical equipments
- Membership of committee of medical ethics and professional practice at Taleghani Center

- Membership of Transfusion Medicine committee at Taleghani Center
- The safety officer of Taleghani Center
- Membership of the Surveillance Board of the Student Council's College Elections
- Membership of Mortality and Hospital Complications - Pathology Committee
- Membership of Infection Control Committee at Taleghani Hospital
- Membership of Economy of Medical, Drug and Medical Equipment at Taleghani Center
- Membership of Infection Control Committee at Taleghani Hospital
- Membership of Risk, Casualties and Disaster Committee at Taleghani Center
- Membership of Registration of Diseases and Health Messages Council
- Membership of Technology and Commercialization Council of the Tabriz University of Medical School
- Membership of Self- Assessment Team at Taleghani Hospital -2017
- Membership of Research Council of Anesthesiology Department- 2014
- Membership of Quality Improvement Committee at Taleghani Hospital
- Membership of Medical Ethics Committee at Taleghani Center
- Membership of Drug, Treatment, and Medical Equipment and Nutrition Committee at Taleghani Center, 2014 - 2015
- Membership of the Medical Ethics Committee of Taleghani Center, 2014
- Membership of Medical Ethics and Professional Practice Committee at Taleghani Center
- Membership of emergency / patient assignment (bed management) committee at Taleghani Center
- Membership of Technical and Protection Committee at Taleghani Center
- Membership of Board for Promotion and Certification Exam on 2016
- Membership of Strategic Committee for Research Priorities of Tabriz University of Medical Sciences
- Membership of Tourism Health Organization Committee of Tabriz University of Medical Sciences
- Membership of Drug and Medical Equipment Committee at Taleghani Hospital

- Membership of Medical Ethics and Professional Practice Committee at Taleghani Center-2017
- Membership of Drug and Medical Equipment's Economics Committee at Taleghani Center -2017
- Risk and Accident Committee at Taleghani Center - 2017
- The Membership of Infection Control Committee at Taleghani Hospital -2017
- Membership of Research Council of Anesthesiology Department
- Executive Team for Development of VIP Center at Taleghani Hospital
- Membership of Critical and Disaster management Committee at Taleghani hospital-2014
- Membership of Board of Contracts Exam-2015
- Membership of Technical and Health Protection Committee at Taleghani Center -2015
- Membership of Quality Improvement Committee at Taleghani Center
- Membership of Executive Committee of 10th National Congress of Anesthesiology
- The Congressman of 10th National Congress of Anesthesiology
- Technical Director of Taleghani Hospital

Appreciation / Thanksgiving /Acknowledgements

- Commendation by Blood Transfusion Organization due to holding CPR workshop
- Commendation by head of the Paramedical Sciences School due to collaboration in training of anesthesiology nursing students in April 16, 1994
- Commendation due to holding of Jihad Health Campaign
- Commendation by Taleghani Center for teaching CPR on April .4/7
- Commendation by Director of Anesthesiology Department due to teaching CPR and airway medicine to Taleghani Hospital's clinicians and staff , 18/11/2015
- Commendation by head manager of Taleghani Center due to attending maneuver Code 99 , 11/1/2014

- Commendation by Mayor of Tabriz and the Director of Culture and Guidance Organization in day of the reporter, 6/8/2008
- Commendation by headquarters of the famous and forbidden guidance, 6/8/96
- Commendation by head of medicine school due to organizing of extracurricular classes for Anesthesiology assistants, 28/10/2017
- Acknowledgments and gratitude by university chairman due to abundant efforts for holding the Charity Foundation,
- Commendation by and appreciation of University Cultural and Student Deputy for obtaining first score in cultural festival, 20/2/2016
- Commendation by East Azerbaijan General Director of Culture and Guidance institute at journalist's day, 8/8/2009
- Appreciation by head of Kurdistan University on seventh regional student publications festival among northwest universities and obtaining of scientific publications first rank
- Acknowledgments by director of the Anesthesiology Department due to anesthesiology internship training.

Responsibilities in Basij

- The Health Officer of Shahid Tohbazan holding, delegate of Commander of Imam Hossein Basij 3 (EA) organization, 11/5/2004
- The confirmation of activity certification of Basij members in Shahid Tohbazan organization, 29/9/2011
- The Health Officer of Shahid Tohbazan holding, delegate of Commander of Imam Hossein Basij 3 (EA) organization, 11/5/2004
- Promotion of Basij militants to Razmjo, 9/2/2000
- The activity certification of Basij members of Shahid Tohbazan Organization by commander of Ashura Corps, 15/10/2014
- Participation in Jolfa- Siahroud Hospital by approval of commander of Ashura Corps, 13/7/2012

- The activity Certification of Basij members at Shahid Tohbazan Organization by commander of Ashura Corps, 26/6/2015
- Appreciation by Islamic Association of Shahid Mostafa Khomeini High School
- The activity certification of Basij members in Shahid Tohbazan Organization, 11/7/2014
- The stuffing appointment at Shahid Tohbazan Organization, 20/2/1999
- Appreciation by Manager of Medicine School due to obtaining first 5% ranking of anesthesia specialty certification

Cultural-Educational-Social Activities

- Workshop about data collection tools
- Evidence-based medicine workshop
- Sample size calculation and sampling methods workshop
- Workshop on statistical methods
- Workshop on diagnostic value studies
- Introductory radiation protection course for medical centers
- Ethics in research
- Research methods workshop
- Teaching Evidence- Based Medicine
- Standard test Reporting Workshop
- Scientometric workshop
- Professional Knowledge Management Workshop
- Advanced Article Writing Workshop and Principles of Referee of Articles
- Medical Journalism
- Academic language workshops
- ICDL s Seven Skills
- Resuscitation workshop, blood transfusion and its complications workshop
- Resuscitation of Newborn Workshop
- Medical Data Recording Workshop

- Basic and advanced Resuscitation workshop
- Electronic resources search workshop
- Research method workshop
- Epidemiology Workshop
- Article Writing Workshop
- Article review workshop
- Consultation and clinician -patient relationship workshop
- Academic Skills (Educational Planning, Learning Planning, Curriculum-Learning Theories, Teaching Elementary skills, Clinical Reasoning, Clinical Sciences, Student Assessment Techniques, Interpersonal and Physician-Patient Communication Skills , Professional Ethics and Education Principles)
- CPR Workshop
- Adult Cardiopulmonary Resuscitation Workshop
- Adult Cardiopulmonary Resuscitation Workshop
- Blood transfusion and its complications workshop
- Adult cardiopulmonary resuscitation for assistants
- Adult cardiopulmonary resuscitation for assistants
- Advanced Article Writing and Principles of Articles Reviewing Workshop
- Medical Journalism Workshop

Previous Executive History:

- Membership of Scientific Committee of 12th International Congress on Anesthesiology and Intensive Care
- Membership of Scientific Committee of 10th International Congress on Anesthesiology and Intensive Care
- Membership of Scientific Committee of 7th International Congress of Intensive care
- Head of Operating Room of Bostan Abad's Ostad Shahriar Hospital (2012 to 2013)
- Emergency Medical Officer of Bostan Abad's Ostad Shahriar Hospital (2012-2013)

- Attending of CPR team at Bostan Abad's Ostad Shahriar Hospital (2012 to 2013)
- Executive Director and Manager of Seventh International Congress on Iran Medical Intensive Care, Tabriz, October 2013.
- Executive Director of the International Congress on Evidence-Based Medicine, Tabriz, Apr. 2010
- Executive Director of Iranian International Congress on Rehabilitation and Electroneurodiagnosis, Tabriz, Iran, 2009
- Executive Director of Iranian Neonatal Health Congress, Tabriz, 2009
- Executive Director of Iran Multiple Sclerosis Congress, Tabriz, 2009
- Executive Director of 10th International Congress of Anesthesiology, Tabriz, 2008
- The Chief editor and manager of the best country scientific student journal, 2002 to 2006
- Director of Quran Advertising Committee of Tabriz University of Medical Sciences

Teaching:

- Apprenticeship in the field of Anesthesiology
- Anesthesia in eye surgery
- Airway security and ventilation
- LMA Types and insertion method
- Anesthesia and Nerve Block in cataract
- General anesthesia
- Airway management
- Acute pain management

Educational Activities:

- Teaching of theoretical and practical lessons to Anesthesiology Assistants
- Teaching Anesthesia Theory to Medical Students – Stager level
- Teaching Practical Lessons to Continued Graduation Anesthesia and Scrub Nursery Students

- Organizing educational classes for medical staff of Taleghani hospital
- Organizing workshops on airway management and cardiopulmonary resuscitation through Education Continuing Center of Tabriz University of Medical Sciences
- Director of Continuing Education Center's programs of Tabriz University of Medical Sciences
- Teaching of airway management and cardiopulmonary resuscitation for Assistants level 1 of Tabriz University of medical sciences

Educational and Technology Scholarship Activities

- Educational software and animation for painless delivery using analgesic methods
- The designation of a device for treatment of airway spasm, facilitating delivery of drug to larynx without doing laryngoscopy.

Theses Supervision

1. The comparison of two methods of retrobulbar and atropine administration in prevention of oculocardiac reflex in vitreous and retinal surgeries
2. The comparison of incidence of postpartum depression in painless vs normal vaginal delivery
3. The comparison of first, fifth and tenth minutes Apgar score in painless vs normal vaginal delivery
4. The comparison of maternal satisfaction rate after delivery in painless vs normal vaginal delivery
5. The comparison of the first, fifth and tenth minutes Apgar Score in vaginal delivery after spinal - epidural anesthesia
6. The comparison of maternal hemodynamics in epidural and spinal-Epidural compound anesthesia
7. The comparison of breastfeeding success rate in in painless vs normal vaginal delivery

8. The effect of oxytocin infusion on the absorption of liquid during hysteroscopic myomectomy
9. The effect of oxytocin and calcium infusion on the amount of bleeding during abdominal myomectomy
10. The evaluation of glide scopes on cardiovascular responses to laryngoscopy and tracheal intubation in elderly patients undergoing gynecologic surgery

C. Participation in scientific and international conferences

- The 12th Congress of Anesthesiology
- 7th International Congress of Medical Care of Iran
- Anesthesiology Congress 2016
- Thirteenth International Anesthetics Congress and ...
- World Anesthesiology Congress
- The Mid - Course Congress of Iranian Society of Surgeons in Iran
- Second Medical Missions Conference
- The 10th Iranian Anesthesiology Congress
- National Congress of Physical and Rehabilitation Sciences and Electrodiagnosis of Iran
- The First International Congress on Evidence-Based Medicine in Developing Countries
- Mid - Course Congress of Iranian Society of Surgeons in Azerbaijan
- National Congress of Iranian Newborns Health
- Adult cardiopulmonary resuscitation
- Adult cardiopulmonary resuscitation
- Clinical Examination at the end of Education of General Medicine Courses
- Adult Cardiopulmonary Workshop
- Adult Cardiopulmonary Workshop
- A painless delivery conference
- Congress of Anesthesiology, Tabriz, 2016
- CPR Workshop
- Cardiopulmonary resuscitation Workshop
- Cardiopulmonary resuscitation Workshop
- Blood transfusion and its complications workshop
- Cardiopulmonary resuscitation workshop and airway management

- National Congress of Iranian Newborn Health
- Lectures in continuing education
- The program of cardiopulmonary resuscitation workshop
- Airway Management Plan
- Women's disease program
- Cardiopulmonary resuscitation and airway management workshop
- Adult Lung Heart Recovery Program
- A basic and advanced cardiac resuscitation workshop
- The baseline and advanced cardiopulmonary resuscitation workshop
- The baseline and advanced cardiopulmonary resuscitation workshop
- Thirteenth International Congress on Anesthesiology and Pain Care
- Cardiopulmonary resuscitation Workshop
- Cardiopulmonary resuscitation Workshop
- The program of the congress of Tabriz Anesthesia
- ICU Nursing Program
- The program of cardiopulmonary and airway management resuscitation workshop
- The program for cardiopulmonary resuscitation and airway management
- Program of the Congress of Medical Specialists
- ICU Nursing Program
- Pharmacology muscle relaxants of program
- Care during and before surgery
- One-day cardio-pulmonary resuscitation conference program based on 2010 guide line
- Anesthesia program in high risk midwifery patients
- Pre- and Intraoperative care plan
- Cardiopulmonary resuscitation workshop
- Cardiopulmonary resuscitation and airway management program
- The 12th International Congress of Anesthesiology and Pain and Care of Iran
- A painless delivery program

- Blood transfusion and its complications program
- Cardiopulmonary resuscitation and airway management workshop
- The programing for cardiopulmonary resuscitation and airway management workshop

D. Presentations:

- 1- H. Pourfathi. Regional Analgesia in Labor and Delivery. 12th International Congress of Anesthesiology and Intensive Care Medicine. Iran Tehran. Sep 2015.
- 2- S. Atashkhoie, H. Pourfathi. Effect of Oxytocin Infusion on Reducing the Blood Loss during Abdominal Myomectomy. 12th International Congress of Anesthesiology and Intensive Care Medicine. Iran Tehran. Sep 2015.
- 3- H. Pourfathi, A. Dehghani, A. Moghadam, O. Ranjbar. Comparison of Cardiac Stress Index with Rate Pressure Product in Trans - Abdominal Prostatectomy. 7th Congress of Intensive Care Medicine. Iran Tabriz. Oct 2013.
- 4- S. Atashkhoie, M. Sadagiani, H. Pourfathi. Effect of addition low dose Bupivacaine on outcome of newborn in C/S. Iranian Congress of Neonatal Health and Nursing care. Iran Tabriz. Jul 2009.
- 5- S. Atashkhoie, M. Sadagiani, H. Pourfathi. Premedication for Newborns in Tracheal Intubation. Iranian Congress of Neonatal Health and Nursing care. Iran Tabriz. Jul 2009.
- 6- Airway managment. Continued Education program for general physicians - 2011.
- 7- Basic life Support. Continued Education program for Anesthesiologists – 2011.
- 8- Basic life Support. Continued Education program for Nursing staff – 2011.
- 9- H. Pourfathi, O. Ranjbar, K. Marjani. Comparison of Cardiac Stress Index with Rate Pressure Product in Trans - Abdominal Prostatectomy. Third NWAC 2012 World Anesthesia Convention. April 24-28, 2012 Istanbul, Turkey.
- 10- Pharmacology of nondepolarizing muscle relaxants. Continued Education program for Anesthesiologists – 2012.

11- Airway management and ventilation in CPR. Continued Education program for Nursing staff – 2013.

E . Participation in research projects as project manager:

- The comparison of incidence of postpartum depression in painless vs normal vaginal delivery
- The comparison of first, fifth and tenth minutes Apgar score in painless vs normal vaginal delivery
- The comparison of breastfeeding success rate in in painless vs normal vaginal delivery
- The evaluation of Intranasal (PCDX) on moderate sedation level for patients undergoing gastrointestinal endoscopy procedures
- The analysis of nursing care status in admission wards of teaching centers of Tabriz University of medical sciences -13971397

F.Awards and honors:

- 1st rank of Shahid Motahari festival in electronic-learning. 2017
- First rank of the best educational software about painless delivery festival, 2015
- The first rank of cultural and art festival of professors and university staff, 2015
- Achievement of the sixth rank of the specialized anesthesiology board, 2011
- Obtaining the science mark of Tabriz University of Medical Sciences, 2011
- The first rank of pre- board of anesthesia specialist, 2011
- First and second ranking of medical students in different academic semesters, 1999
- The best student of Tabriz University of Medical Sciences in all academic levels, 2005
- Selected as Cultural Elite of Tabriz University of Medical Sciences, 2004
- The first rank of the seventh national student journals festival, 2004
- The third rank of the 6th national student journals festival, 2003
- The first rank in the regional festival of student journals, 2003
- Selected as the best “Basiji” in country, 2004

- Selected as the best provincial “Basiji”, 2003
