

Hamidreza Mortezaabagi

Associate Professor of Emergency Medicine

Tabriz University of Medical Sciences

Profile

Gender: Male

Date of Birth: 15. June. 1975

Marital Status: Married

Country of Origin: Iran

Present Nationality: Iranian

Education

2000 Graduate from Gorgan University of Medical Sciences as General Practitioner

2007 Graduate from Iran University of Medical Sciences as Emergency Medicine Specialist

2007 Board Certify in Emergency Medicine

Contact

Address: Department of Emergency Medicine, Imam Reza Hospital, Tabriz University of Medical Sciences, Golgasht Street, Tabriz, Iran.

Tel: +984133352078
+989144244324

Email: hamidm1975@yahoo.com
mortezaabagih@tbzmed.ac.ir

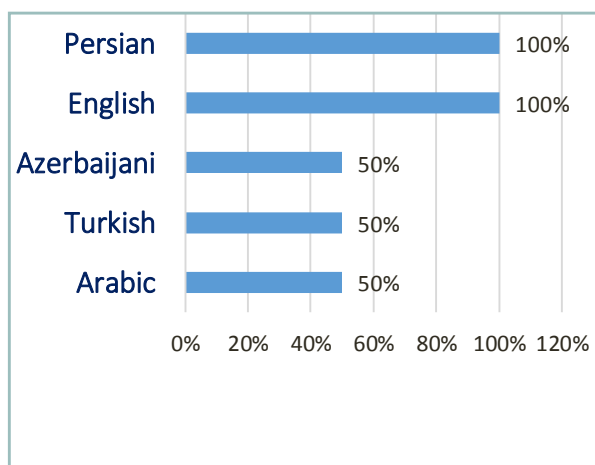

Research Profiles ID

Researcher ID: L-8533-2017

Scopus ID: 57197793581

ORCID ID: 0000-0003-2004-1275

Language Skills

Areas of Interest

Emergency Medicine, Trauma, Traige, Pre-hospital Proceedings and Emergency Management, Disaster Management, Environmental Emergencies, Poisoning

Post Graduate Education

- Board Certify of Emergency Medicine, Study in Tabriz University of Medical Sciences

Membership of Learned Societies

- Member of the Scientific Association of Emergency Medicine of Iran since 1385- ongoing.
- Member of European Association for Cardiovascular Prevention and Rehabilitation (EACPR).
- Member of European Society of Cardiology (ESC) Acute Cardiovascular Care Association.

General Skills

- IT Skills: (Internet, Windows, SPSS data Collection, Manipulation, and Analysis)
- Refrencess Manager
- Project Management
- Problem Solving
- Lateral Thinking
- Team Working

Current Position

- Associate Professor of Emergency Medicine, Tabriz University of Medical Sciences, Tabriz, Iran.
- Member of the Board of Examiners of the Emergency Medicine Board.
- Member of the Examinations Committee of the Emergency Medicine Department of Tabriz University of Medical Sciences.
- Head of the Center of Clinical Skills Laboratory of Tabriz University of Medical Sciences.

Previous Work Experiences

- Head of the Navy Medical Department of the Army of the Islamic Republic of Iran on the island of Siri from 1379 to 1381.
- Responsible for emergency service centers in pre-hospital centers from 1381 to 1383.
- Assistant of the Emergency Department of Rasool Akram Educational and Medical Center from 1383 to 1386.
- Director of the Compilation and Translation Unit of Teimurzadeh Institute of Cultural Publishing
- Director of the Education Unit of Teimurzadeh Institute of Cultural Publishing
- Director of the Compilation and Translation Unit of Adiban Institute of Cultural Publishing

Workshop & Conference Certificates

Educational Attendance

- Workshop of Infants Resuscitation, 1380.
- Workshop of Quality Improvement, 1389.
- Workshop of Immobilization and patient transfer, 1389.
- Workshop of Article Writing, Research in Education, 1390.
- Workshop on the Principles of Referee Articles, 1391.
- Workshop of Basic and Advanced Management of Trauma Patients (ATLS), 1391.

Lecture Certificates in Workshops

- Poisoning with drugs and toxins, Tabriz University of Medical Sciences, 1391/04/10.
- Emergencies 5, Tabriz University of Medical Sciences, 1391/08/12.
- Annual Congress of Emergency Medicine, Tehran, Iran, 1394/08/30.
- The first conference of resuscitation, trauma and emergency care, Tabriz University of Medical Sciences, 1395/07/08.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1395/06/08.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1395/06/23.

- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1395/07/26.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1395/11/02.
- Preliminary and advanced cardiopulmonary resuscitation and how to deal with the injured, Tabriz University of Medical Sciences, 1396/01/14.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1396/02/24.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1396/03/08.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1396/04/25.
- Lung cardiopulmonary resuscitation and critical patient care in the emergency department, Tabriz University of Medical Sciences, 1396/05/01.
- Empowering general practitioners working in the emergency department, Tabriz University of Medical Sciences, 1397/10/25.
- Empowering general practitioners working in the emergency department, Tabriz University of Medical Sciences, 1397/11/23.
- Empowering general practitioners working in the emergency department, Tabriz University of Medical Sciences, 1397/12/21.

- Teaching clinical procedures in times of crisis, Tabriz University of Medical Sciences, 1398/08/28.

Supervisor & Advisor of Thesis

1. Comparison of the rapidity of Endotracheal Intubation by BOUGIE with ILMA on a difficult manikin by emergency residents. **(Supervisor)**
2. The Effectiveness of Critical Care Workshop (endotracheal intubation, basic resuscitation, advanced resuscitation and trauma patient management) Training with Flipped Learning Method on improving knowledge, practical skills and sustainability in medical students. **(Supervisor)**
3. Comparison of the ease of Endotracheal Intubation by BOUGIE with GLIDESCOPE on a difficult manikin by emergency residents. **(Supervisor)**
4. The Effectiveness of Semiotic Unit Training with Flipped Learning Method On improving the physical examinations and biography skills in medical students. **(Supervisor)**
5. Evaluation of diagnostic and therapeutic interventions and impact of infants affected by head trauma admitted to emergency unit of Tabriz Imam Reza hospital. **(Supervisor)**
6. Production and evaluation of interactive 3D simulators for medical procedures using Mixed reality technology. **(Supervisor)**

7. Evaluation the Effect of Human Cadaver Use in FAST Ultrasound Education in Improving the knowledge and skills of Ultrasound of Emergency Medical Residents. **(Supervisor)**
8. Evaluation of social trust in the accompanying patients discharged with personal satisfaction and the total number of patients accompanying the Emergency ward of Imam Reza Hospital in Tabriz-2018. **(Supervisor)**
9. Surveying the stress and anxiety of emergency medical personnel in East Azarbaijan province in 2018. **(Supervisor)**
10. Investigating the Relationship between how a chief Complaint Is Expressed and the Patient Workflow. **(Supervisor)**
11. Effect of simulator (teacher made moulage on the learning skill of cricothyrotomy in emergency medicine physicians. **(Supervisor)**
12. Comparison of serum and pleural fluid levels of BNP in patients with acute shortness of breath and pleural fluid referred to emergency room. **(Supervisor)**
13. Investigating the relationship between ABCD and BNP in patients with TIA. **(Supervisor)**
14. Determining the sensitivity of pelvic ring examination in the diagnosis of pelvic fracture in patients with blunt trauma in Imam Reza Hospital in Tabriz. **(Supervisor)**
15. Examination of urobilinogen and urobilin in patients with hepatic impairment due to blunt trauma in Imam Reza Hospital, Tabriz. **(Supervisor)**

16. Evaluation of clinical symptoms and simple findings of cranial graphics in traumatic brain injuries in Kashani Hospital in Hamedan. **(Supervisor)**
17. Evaluation of the effectiveness of magnesium sulfate injection in the neurological improvement of patients with severe and moderate concussion in Rasoul Akram Hospital in Tehran. **(Supervisor)**
18. Comparison of the effectiveness of intravenous acetaminophen with morphine in colic renal in Imam Reza Hospital in Tabriz. **(Supervisor)**
19. Survey of knowledge and attitude of residents of emergency medicine, internal medicine, surgery about authorized educational websites and applications. **(Advisor)**
20. Assessment frequency of inappropriate drugs in elderly patients referring to Emam Reza hospital emergency in 1398. **(Advisor)**
21. Comparison of the range of elbow movement after elbow surgery with immobility in extension and flexion in adults. **(Advisor)**
22. Comparison of the range of elbow movement after elbow surgery with immobility in extension and flexion in Children. **(Advisor)**
23. Design, implementation and Evaluation of the mobile app for the Clinical Skills Educational, Research and Evaluation Center of Tabriz medicine faculty. **(Advisor)**
24. Comparison of diagnostic value of FAST ultrasound, peritoneal diagnostic lavage (DPL) and laboratory findings with abdominal CT scan in diagnosis of abdominal blunt trauma in traumatic patients referred to emergency department. **(Advisor)**

25. Evaluating the length of stay of patients in Emergency Department, regarding determination time and release time, due to internal diseases; and its association with the average length of stay at internal medicine wards. **(Advisor)**
26. The effect of self-assessment and self-learning educational software on the level of airway management skill learning in medical students. **(Advisor)**

Publications

A) Books

No.	Title	Year
1	Denforth's obstetrics and gynecology (Translation to Farsi)	1383
2	Pediatric diseases (Translation to Farsi)	1383
3	Common manifestations of rosin (Translation to Farsi)	1384
4	Infectious diseases of the rosin (Translation to Farsi)	1384
5	The first solution in general surgery (Translation to Farsi)	1385
6	Internal Diseases (Translation to Farsi)	1386
7	Hedges Selected Topics, 2010 (supervisor)	1392
