

Rouzbeh Rajaei Ghafouri

Assistant Professor of Emergency Medicine

Tabriz University of Medical Sciences

Profile

Gender: Male

Date of Birth: 21. September. 1978

Marital Status: Married

Country of Origin: Iran

Present Nationality: Iranian

Education

2003 Graduate from Tabriz University of Medical Sciences as General Practitioner

2010 Graduate from Tabriz University of Medical Sciences as Emergency Medicine Specialist

2010 Board Certify in Emergency Medicine

Contact

Address: Department of Emergency Medicine, Imam Reza Hospital, Tabriz University of Medical Sciences, Golgasht Street, Tabriz, Iran.

Tel: +984133352078

+989143115624

Email: rrajaei88@gmail.com

rajaeer@tbzmed.ac.ir

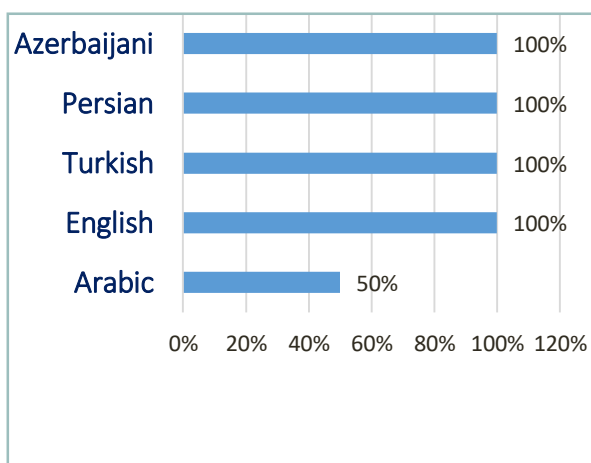

Research Profiles ID

Researcher ID: H-3570-2018

Scopus ID: 8340908600

ORCID ID: 0000-0002-3760-572x

Language Skills

Areas of Interest

Disaster Preparedness, Pre-hospital Emergency Medical Service, Advanced Trauma Life Support, Acute Pain Management, Critical Care, Clinical Science Education

Post Graduate Education

- Board Certify of Emergency Medicine, Study in Tabriz University of Medical Sciences

Member of Associations

- Iran Medical Council, 2004- Ongoing
- Iranian Society of Emergency Medicine, 2008- Ongoing
- Turkish Society of Emergency Medicine, 2012- Ongoing
- World Stroke Organization (WSO) member, 2014- Ongoing

General Skills

- IT Skills: (Internet, Windows, SPSS data Collection, Manipulation, and Analysis)
- Refrencess Manager
- Project Management
- Problem Solving
- Lateral Thinking
- Team Working

Current Position

- Assistant Professor of Emergency Medicine, Tabriz University of Medical Sciences, Tabriz, Iran.

- Education Deputy of Spatialities Practitioner of Emergency Medicine Department, Tabriz University of Medical Sciences, Tabriz, Iran.
- Treatment Vice Chancellor of Tabriz University of Medical Sciences, Tabriz, Iran.
- Member of Emergency Medicine Research Team, Tabriz University of Medical Sciences, Tabriz, Iran.

Previous Work & Administrative Experience

- Deputy Dean for Human resources and management development of the National Emergency Organization in 2017-2018.
- Deputy Dean for Quality Improvement of the National Emergency Organization in 2017.
- Dean of Emergency Medical Service (EMS) of east Azerbaijan province since February 2014 to May 2017.
- National Focal Point of Pre-hospital Trauma Management.
- Head of the Emergency Department, Sina Hospital, Tabriz, Iran from March 2013 to Feb 2014
- Administrator of “Primary cares in emergent situations” seminar, Tabriz University of Medical Sciences, Tabriz, Iran, 2012
- Administrator of “Drug Intoxication” seminar, Tabriz University of Medical Sciences, Tabriz, Iran, 2012
- Administrator of “Pediatric Emergencies” seminar, Tabriz University of Medical Sciences, Tabriz, Iran, 2012
- Administrator of “Hospital disaster planning” seminar, Tabriz University of Medical Sciences, Tabriz, Iran, 2013

- Administrator of “Pre-Hospital Trauma Life Support (PHTLS)” seminar, Tabriz University of Medical Sciences, Tabriz, Iran, 2016
- Administrator of 7 “Cardiopulmonary Cerebral Resuscitation (CPCR)” seminars, Tabriz University of Medical Sciences, Tabriz, Iran, 2012–2017

Scientific work and Academic Teaching

- Medical students, Faculty of Medicine, Tabriz University of Medical Sciences, Tabriz, Iran. 2010- ongoing
- Emergency medicine residents, Faculty of Medicine, Tabriz University of Medical Sciences, Tabriz, Iran. 2010- ongoing
- Teaching to general physicians of Tabriz hospitals about Basic Life Support (BLS), Advanced Trauma Life Support (ATLS), Advanced Cardiac Life Support (ACLS), Tabriz, Iran. 2010-ongoing.
- Pharmacy students, Faculty of Pharmacy, Tabriz University of Medical Sciences, Tabriz, Iran (about Primary health care), 2010-ongoing.
- Traditional & Persian Medicine residents, Tabriz University of Medical Sciences, Tabriz, Iran, 2017- ongoing.
- Member of scientific committee and teacher in the 4th Olympiad of Medical Students, July 2012, Tabriz University of Medical Sciences.
- Instructor of Pre-hospital Trauma Life Support (PHTLS) provided by American College of Surgeons (ACS), Since August 2013. Instructor of Advanced Trauma Life Support (ATLS) provided by American College of Surgeons (ACS), Since June 2012 – ongoing.

- Instructor of Advanced Cardiac Life Support (ACLS) provided by American Heart association (AHA), Since August 2015 – ongoing.

❖ **Scientific Speaker** in 22 workshops as follows:

1. Local anesthesia and suture techniques; February 2012
2. Cardio pulmonary Resuscitation (CPR); March 2012
3. Drug administration in Emergency; March 2012
4. Primary cares in emergent situations; April 2012
5. Drug intoxication emergencies; June 2012
6. Cardio pulmonary Resuscitation (CPR); November 2012
7. Approach to Ischemic Stroke patients in Emergency Department; November 2012
8. Primary Trauma Care (PTC); May, June & July 2013
9. Administrative issues in disaster management; June 2013
10. Hospital plan in disaster management; June 2013
11. Basic Life Support (BLS) in CPR; October 2013
12. Triage system organization in an Emergency Department; November 2013
13. Thrombolytic therapy in stroke patient presenting to ED; December 2013
14. Basic Life Support (BLS) in pregnant patient; February 2014
15. Cardio pulmonary Resuscitation (CPR); November 2013 & August 2014
16. Patients' disposition in Emergency Department; October 2014
17. Documentation and scientific writing in Emergency Department; October 2014
18. How to give bad news in Emergency Department; September 2015
19. Critical care in Emergency Department; August 2016

20. Pre-hospital management of traumatic patients,
September 2018
21. Training of clinical procedures in times of crisis,
November 2019

❖ **Invited speaker** in Annual or International Congresses

1. Sixth Annual Congress on Emergency Medicine, 22-24 November 2011, Tehran-Iran
2. First International Critical care and Emergency medicine congress, 6-8 November 2013, Istanbul-Turkey.
3. Sixth Central European Congress of Disaster and Emergency Medicine, 22-25 April 2015, Vyhne- Slovakia.
4. Seventh Central European Congress of Disaster and Emergency Medicine, 29 April-1 May 2016, Vyhne-Slovakia.
5. First International congress of Trauma and Emergency Critical Care, 28-30 September 2016, Tabriz-Iran.
6. The 11th Annual Congress on Emergency Medicine, 23-25 December 2016, Tehran-Iran.
7. The 7th International Congress of Traffic injuries load, challenges and solutions, 16-18 February 2017, Shiraz - Iran.
8. First Annual Congress on management of Trauma injured patients, 9-11 August 2017, Tehran - Iran.
9. The 12th Annual Congress on Emergency Medicine, 30 December 2017- 1 January 2018, Tehran-Iran.
- The 13th Annual Congress on Emergency Medicine, 2018, Tehran-Iran.

Supervisor & Advisor & Referee of Thesis

1. Red Blood Cell Distribution Width Value as a Predictor for Mortality in Stroke Patients. **(Supervisor)**
2. Study of the relationship between blood glucose and cerebrospinal fluid glucose in adults with suspected bacterial meningitis. **(Supervisor)**
3. The ability criteria-directed protocol versus emergency severity index and modified rapid emergency medicine score in triage of trauma patients. **(Supervisor)**
4. Diagnostic value of bedside ultrasonography of Optic Nerve Sheath Diameters (ONSD) in Patients with high risk headach. **(Supervisor)**
5. Evaluation of triage in the emergency department of Imam Reza Hospital by ESI and comparison with SETS. **(Supervisor)**
6. Evaluation of the quality of cardiopulmonary resuscitation during in-hospital arrests in emergency departement of Imam Reza Hospital of Tabriz. **(Supervisor)**
7. Comparison of emergency severity index triage (ESI) and Swiss swiss emergency triage scale (SETS) triage and its consequences in emergency department of Imam Reza Medical Education Center. **(Supervisor)**
8. Comparison of two methods of lecture _based learning and problem solving method in improving knowledge, attitude and skills of Tabriz Emergency Medical System personnel about Prehospital Trauma Life Support. **(Supervisor)**

9. Attitudes of Physicians, Nurses and patients' families about patient's family presence during invasive procedures In the emergency department. **(Supervisor)**
10. Cost-effectiveness analysis of the use of tissue plasminogen activator (tPA) in ischemic stroke patients. **(Supervisor)**
11. Knowledge, Attitude and Usage of Physicians, Nurses and Patients Referred to Emergency Medical-Educational Centers of Tabriz in Complementary and Alternative Medicine. **(Supervisor)**
12. Comparison of the effect of propofol and dexamethasone on the relief of migraine headache in patients referred to emergency department. **(Supervisor)**
13. Analytical review of patients with stroke referred to the emergency department. **(Supervisor)**
14. Evaluation of patients' satisfaction referred to emergency department of Imam Reza hospital in Tabriz in 2008. **(Supervisor)**
15. The Effect of Persian Medicine Products on the Clinical and Laboratory Symptoms of Patients with or Suspected of Covid-19. **(Advisor)**
16. Application of national early warning score in prognosis of stroke patients in the emergency department. **(Advisor)**
17. Setting up and developing of Transplantation Registry Program in North-west Iran. **(Advisor)**
18. Knowledge and Skills of Pre-hospital Personnel in Airway Management. **(Advisor)**
19. Predictive value of the outcome of trauma patient with the Kampala Trauma Score. **(Advisor)**
20. Relation between prehospital hypertension in trauma patient with hospital and prehospital mortality. **(Advisor)**

21. Title of proposal: Occupational stress in emergency medical technicians and its relationship with blood pressure, blood glucose and digestive disorders and cardiovascular disease. **(Advisor)**
22. The comprehensive evaluation of elderly patients with stroke and comparison of pre-hospital notification. **(Advisor)**
23. Knowledge and attitudes of nurses and physicians' about donation after circulatory death in emergency wards of educational and therapeutic centers of Tabriz University of Medical Sciences in 2019. **(Advisor)**
24. Patient safety at urban and suburban emergency stations in East Azarbaijan state. **(Advisor)**
25. Evaluating the length of stay of patients in Emergency Department, regarding determination time and release time, due to internal diseases; and its association with the average length of stay at internal medicine wards. **(Advisor)**
26. Evaluation of the patient's satisfaction about of pre-hospital emergency service performance in Tabriz. **(Advisor)**
27. Study of pre hospital emergency medical services experience in response to Varzeghan, Heris and Ahar districts earthquake in 2012. **(Advisor)**
28. Analysis of knowledge and practice of EMS personnel on how to deal with disasters and the role of active learning and problem solving method for its improving. **(Advisor)**
29. Ambulance response time and related factors in Tabriz emergency medical center in second half of 1396. **(Advisor)**
30. Surveying the stress and anxiety of emergency medical personnel in East Azarbaijan province in 2018. **(Advisor)**

31. Evaluation of Dispatch Patterns and Evaluation of Patients' Dispatches from Other Hospitals to the Emergency Research Center of Imam Reza Tabriz Emergency Research Center in 2015. **(Referee)**
32. Comparison of the effect of intravenous paracetamol (Apotel) with intravenous morphine and dexamethasone in reducing migraine headaches. **(Referee)**
33. Assessment of Patients' Satisfaction with Pre-hospital Emergency Performance in Tabriz. **(Referee)**
34. The Effect of Education on Knowledge and Skills of Emergency Medical Services Employees of East Azarbaijan in Triage of Patients at Time of Disaster. **(Referee)**
35. Outcome Assessment of Patients with Acute Upper Digestive Bleeding Based on Glasgow Blachford and T SCOrE AIMS65 Criteria in Emergency Department 2014-2015. **(Referee)**
36. Evaluation of Causes of Patient Transfer by Emergency Department to Imam Reza Emergency Training Center and Development of Appropriate Patient Transfer Guidelines. **(Referee)**
37. Comparison of Hospital Mortality Predictors in Adult Burn Patients Using the abbreviated burn severity index and the percentage of full thickness burns. **(Referee)**
38. Assessment and Analysis of Pre-hospital Emergency Service to Tabriz Elderly Population in 2014. **(Referee)**
39. Relaxation of ketamine and propofol in adults and its use by emergency medicine professionals: A systematic review and meta-analysis. **(Referee)**

40. Lidocaine Use in Pain Management in Emergency Medicine: A Systematic Review and Meta-Analysis. **(Referee)**
41. Damage Patterns and Characteristics of Traumatic Patients Due to Vehicle Accidents in Northwest Iran Trauma Center. **(Referee)**
42. The Relationship between Demographic Factors and Primary Outcomes in Stroke Types in Adults. **(Referee)**
43. Evaluation of the NIHSS Eighth Truncated Value in Outpatient Outcome Evaluation in Stroke. **(Referee)**
44. Assessment of stress and anxiety level of medical emergency personnel in East Azarbaijan province. **(Referee)**
45. The Effect of Practical Workshops Using Natural Animal Tissue on the Knowledge and Performance of New Entrants Residents Compared to Mollage. **(Referee)**
46. Diagnostic value of SPECT in early diagnosis of chest pain and non-diagnostic ECG in emergency department. **(Referee)**
47. Prevalence of antiplatelet use in patients with stroke and its association with ischemic or hemorrhagic stroke. **(Referee)**
48. Evaluation of the quality of cardiopulmonary resuscitation in inpatient cardiac arrest in the emergency department of Tabriz Imam Reza Hospital. **(Referee)**
49. Epidemiologic study and diagnostic results in traumatic children referred to emergency department of Imam Reza Hospital in 2015. **(Referee)**
50. Diagnostic value of blood cell counts in the diagnosis of subarachnoid hemorrhage in patients referred to the emergency department. **(Referee)**

C)Conference Presentations

1- Improvement of Refractory Migraine Headache due to Propofol. Third Annual Congress on Emergency Medicine, Tehran-Iran 17-19 December 2008. **(Oral Presentation)**

2- A Survey of the performance of Emergency Department in Imam Khomeini Hospital. Third Annual Congress on Emergency Medicine, Tehran-Iran 17-19 December 2008.

3- Emergency department patient satisfaction survey before and after the establishment of an emergency medicine department in Imam Khomeini hospital, Tabriz, Iran. Third Annual Congress on Emergency Medicine, Tehran-Iran 17-19 December 2008.

4- Digital intubation training in residency program, as an alternative method in airway management. 1st International Congress of Airway Management and Anesthesia in Head & Neck Surgery, Tehran-Iran 20-22 May 2009. **(Oral Presentation)**

5- The role of anesthesiology curriculum in improving bag-mask ventilation and intubation success rates of Emergency Medicine residents. The Fifth Mediterranean Emergency Medicine Congress

(MEMC V) Valencia, Spain 14-17 September 2009. **(Oral Presentation)**

6- Evaluation of intern's satisfaction with Emergency Department training program. The Fifth Mediterranean Emergency Medicine Congress (MEMC V), Valencia, Spain 14-17 September 2009.

7- Emergency department patient satisfaction survey in Imam Reza Hospital, Tabriz, Iran. The Fifth Mediterranean Emergency Medicine Congress (MEMC V), Valencia, Spain 14- 17 September 2009.

8- The effect of an education intervention on nurses' knowledge related to oxygen therapy. The 13th International Conference on Emergency Medicine (ICEM), Singapore 9-12 June 2010.

9- Association between Emergency Department patient disposition and patient satisfaction. The 13th International Conference on Emergency Medicine (ICEM), Singapore 9-12 June 2010.

10- The efficacy of the training program for improving nurses' knowledge about shock. The 13th International Conference on Emergency Medicine (ICEM), Singapore 9-12 June 2010.

11- Impacting factors on patient satisfaction with Emergency department in Imam Khomeini hospital, Tabriz, Iran. Fourth Annual Congress on Emergency Medicine, Tehran-Iran 12-14 January 2010.

12- Strategies before defibrillation. Fourth Annual Congress on Emergency Medicine, TehranIran 12-14 January 2010.

13- An analytical study on stroke patients presenting to Emergency Department of Tabriz University of Medical Sciences. 3rd Iranian stroke congress, Mashhad-Iran 8-9 July 2010.

14- Improvement of Refractory Migraine Headache due to Propofol: A case series. The second Eurasian congress on Emergency Medicine (ECEM), Antalya-Turkey 28-31 October 2010. **(Oral Presentation)**

15- Evaluating the associated risk factors of Pulmonary Thrombo-Embolism (PTE) in patients coming to the Emergency Department (ED) of Imam Reza educational hospital. The second Eurasian congress on Emergency Medicine (ECEM), Antalya-Turkey 28-31 October 2010.

(Oral Presentation)

16- Improvement of triage process on patients presenting to Emergency Department of Imam Reza hospital, Tabriz, Iran. Fifth Annual Congress on Emergency Medicine, Tehran-Iran 4-6 December 2010.

17- Evaluation of risk factors of Ischemic stroke and Intracranial Hemorrhage on patients presenting to Emergency Department of Imam Reza hospital, Tabriz, Iran. Fifth Annual Congress on Emergency Medicine, Tehran-Iran 4-6 December 2010.

18- A survey on the expectancies of final year medical students about their training curriculum in Emergency Medicine. The 6th Asian Conference for Emergency Medicine, Bangkok, Thailand 4-6 July 2011.

(Oral Presentation)

19- Effectiveness of intravenous Propofol versus Dexamethasone for pain relief in the migraine headache in the emergency department. The 6th Annual Congress on Emergency Medicine, Tehran-Iran 22-24 November 2011. **(Oral Presentation)**

20- Prehospital management of trauma. The 6th Annual Congress on Emergency Medicine, Tehran-Iran 22-24 November 2011. **(Invited Speaker)**

21- Effectiveness of fluid resuscitation on survival of uncontrolled hemorrhagic shock (Animal simulation). 13th Iranian Pharmaceutical Sciences congress, Isfahan-Iran 3-5 September 2012.

22- An unexpected pregnancy in a 22-year-old woman with history of

premature ovarian failure: A case report. The 3rd Eurasian congress on Emergency Medicine, Antalya-Turkey 19-22 September 2012.

(Oral Presentation)

23- Success rate of PHEMS personnel in implementing PHTLS guidelines on traffic accident victims. The 3rd Eurasian congress on Emergency Medicine, Antalya-Turkey 19-22 September 2012. **(Oral Presentation)**

24- A comparison of Verapamil and Digoxin for heart rate control in atrial fibrillation. The 3rd Eurasian congress on Emergency Medicine, Antalya-Turkey 19-22 September 2012. **(Oral Presentation)**

25- Comparison of Palmprint, modified Mallampati score and 3-3-2 rule in prediction of difficult airway. The 3rd Eurasian congress on Emergency Medicine, Antalya-Turkey 19- 22 September 2012. **(Oral Presentation)**
