**Sex and Marital Status: male - married**

**Birth Date: 23.04.1959**

**Education:**

1- Board certified in anesthesiology, Tabriz university of Medical Science, Tabriz – IRAN 1989

2- General medicine, Tabriz university of Medical science, Tabriz – IRAN 1986

**Licensure:**

**Honors/Achievements:**

**Academic Positions:**

Assistant professor of anesthesiology department Tabriz university of medical sciences.

**Teaching Experiences:**

**Residency teaching programme ; anesthesiology department**

**General physician**

**CRNAs**

**Paramedical anesthesiology**

**1989-present**

**Administrative Experiences:**

1: Tabriz medical council advisor since 1991- present.

2: Tabriz Forensic Medicine advisor since 1997- present.

3: Secretary General of Eastern Azerbaijan Anesthesiology Association 1992 – 2004.

4: President of Eastern Azerbaijan Anesthesiology Association Since March 2005-2008

- 5: Educational deputy, anesthesiology department, Tabriz university of medical Science, 1990 – 1995 , 1995 – 1996 , 2005 – 2006 , 2006 - 2006
- 6: Executive deputy, anesthesiology department, Tabriz university of medical science, 1990 – 1996.
- 7: A Member of specific clinics council, Tabriz university of medical science for 2 years.
- 8: Head of anesthesiology section, anesthesiology department, Nikoukari hospital, Tabriz university of medical science, since 1990- 2006.
- 9: A member of committee revising Iranian specialty program for anesthesiology, 1998 – 2000.
- 10: Editorial Board member of Teb and Mardom journal, 1991.
- 11: Chief editor advisor of journal of Iranian anesthesiology and intensive care association, since 1998. – present
- 12- A member of educational council ; anesthesiology department ; Tabriz university of medical sciences ; 2012 – present
- 13 - A member of research council ; anesthesiology department ; Tabriz university of medical sciences ; 2012 – present
- 14 – head of educational and teaching coarse and classes of the residency education programme of the anesthesiology department ; Tabriz university of medical sciences . 2012 - present

**Research Interest:**

**Neuromuscular blocking agents**

**Neuromuscular monitoring**

**TIVA**

**Difficult Intubation**

**General anesthesia**

**Diabetes**

**Publications in International Journals:**

- 1-Comparison of recovery after anesthesia with remifentanil infusion versus halothane in children undergoing strabismus surgery ; Masoud Parish – Ata Mahmoodpoor – Susan Rasooli – Sheida Asadnasab – Sarvin Sanaei ; Neuroscience Journal Saudi Arabia ,2007 ; vol 12 No 2 , april
