

“The curriculum Vitae of Shahrokh Amiri, MD”

Name: Shahrokh Surname: Amiri AzizAbad

Born: April 22, 1969 Iran

Sex: Male

Nationality: Iranian

Address: Department of Psychiatry, Razi Hospital, Elgoli Road, Tabriz, East Azerbaijan, Iran. Tel/Fax: +98+411+3804486-90.

Email: Amirish@tbzmed.ac.ir

Position:

Professor of child and adolescent psychiatry, Tabriz University of medical sciences

Medical Education:

Tabriz university of Medical Sciences, Faculty of Medicine, Tabriz, Iran 1987-1994

Residency:

Residency in Psychiatry, Razi Psychiatric Hospital, Tabriz university of Medical Sciences, Tabriz 2001-2004

Subspecialty:

Subspecialty in child and Adolescent Psychiatry, Roozebeh Psychiatric Hospital, Tehran university of Medical Sciences, Tehran, Iran 2005-2007

Awards:

Second rank of the national board examination of child and Adolescent Psychiatry in Iran (2007)

Certifications:

Iranian Medical graduation registration 1994

The license of National Board of Psychiatry 2004

The license of National Board of Subspecialty in child & Adolescent Psychiatry 2007

Editorial Board

1. Austin Child & Adolescent Psychiatry
2. Annals of Psychiatry and Treatment
3. Managerial Epidemiology & Public Health

INTERNATION AND NATIONAL PRESINTATIONS

1- Dose co-morbidity of Oppositional Defiant Disorder with ADHD Increase the Prevalence of other Psychiatric disorder in children. **Sharokh Amiri (Presenter)**, Ali Fakhari, Zahra akbari Rafi, Ayyoub Malek. . (Oral Presentation).

5th International Congress of Child & Adolescent Psychiatry. 8-11 October 2012, Tehran - Iran

2- Prevalence of Chronic Tics. Tourettes syndrome and Comorbid Attention Deficit/Hyperactivity Disorder in Elementary Students. **Sharokh Amiri(Presenter)**, Ali Fakhari. Javad Golmirzaei.(Oral Presentation) .5th International Congress of Child & Adolescent Psychiatry.8-11 October 2012, Tehran - Iran

3- The Study of Short- term structured play Therapy on controlling ADHD Symptoms of six years old children. Atefeh Behraves, Naeimeh Moheb, **Shahrokh Amiri(Presenter)**, Hassan Shahrokhi. . (Poster Presentation)

5th International Congress of Child & Adolescent Psychiatry. 8-11 October 2012, Tehran - Iran

4- ADHD As a Predictor of Childhood Burn Injuries: A case – control Study. **Aydin Tabrizi(Presenter)** , Homayoun Sadeghi Bazargani, Shahrokh Amiri(Poster Presentation) .

American academy of Pediatrics. National Conference & Exhibition. 24-27 October 2015, Washington, Dc

5- Theory of mind in children with attention deficit/hyperactivity disorder. Mohamadtagi saidi, Seyed Gholamreza Noorazar, Hasan bafandeh, **Sharokh Amiri**. Mahbube Taheri. (Poster Presentation).

5th International Congress of Child & Adolescent Psychiatry. 8-11 October 2012, Tehran - Iran

6- Effect of methylphenidate on Theory of mind in children with attention deficit hyperactivity disorder. Seyed Gholamreza Noorazar, Mohamadtagi saidi, Mir Mahmoud Mirnasab, **Sharokh Amiri**, Mahbube Taheri. (Poster Presentation)

5th International Congress of Child & Adolescent Psychiatry. 8-11 October 2012, Tehran - Iran

7- Comparison psychiatric co-morbidities in ADHD Subtypes. Sharokh Amiri (Presenter). (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

8- Neurofeedback efficacy compared pharmacological intervention in ADHD. Sharokh Amiri (Presenter), Nourazar SG, Chalabianloo GR, Tabatabaei SM. (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

9- Applying quantitative electroencephalography in differential diagnosis of clinical subtypes of ADHD. Sharokh Amiri, Chalabianloo GR, Tabatabaei SM, Farhang S. (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

10- Evaluation of Attention-deficit hyperactivity disorder risk factors. Javad Golmirzaei, Sholeh Namazi, Sharokh Amiri (Presenter). (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

11- Evaluating frequency of affective-emotional disorders in children with mental retardation. Ali Bahari gharehgoz, Fatemeh zali, Sharokh Amiri. (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

12- Genetics of Attention deficit hyperactivity disorder (ADHD). Tabatabaei SM, Chalabianloo GR, **Sharokh Amiri**. (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

13- The effectiveness of self-monitoring programs on increasing attention in students with Attention-Deficit/Hyperactivity Disorder (ADHD): A single subject study. Nasim Baher Eslami, Mir Mahmud Mirnasab, Ayyoub Malek, **Sharokh Amiri**. (Oral Presentation)

6th International Congress of Child & Adolescent Psychiatry. 17-19 September 2013, Tabriz - Iran

14- Marital Satisfaction among Women with Major Depressive Disorder and the Role of Family Processes, Social Support and Demographic Factors. **Shahrokh Amiri (Presenter)**, Ali Fakhari, Mohsen Khousheh, Ahmadreza Azadari.(Oral Presentation).

The 30th Annual Meeting of the Iranian Psychiatric Association -October 21-24, 2013, Tehran - Iran

15-Drug treatment of BMD1 in children and adolescent. **Shahrokh Amiri (Presenter)**. (Oral Presentation).

The 31th Annual Meeting of the Iranian Psychiatric Association -October 14-17, 2014, Tehran - Iran

16-Course and Prognosis of BMD1 in children and adolescent. **Shahrokh Amiri** (*Presenter*). (Oral Presentation).

The 31th Annual Meeting of the Iranian Psychiatric Association -October 14-17, 2014, Tehran - Iran

17- Prevalence of depressive symptoms among survivors of burn injury. **Sharokh Amiri** (*Presenter*). (Poster Presentation)

The XVI World Congress of Psychiatry. 14-18 September 2014, Madrid – Spain

18- Comparison of self esteem in children with attention deficit/hyperactivity disorder with normal children. **Shahrokh Amiri**, Zahra Mousavi, Hossein Dadashzadeh. (Poster Presentation).

World psychiatric association Thematic conference.29-31 August 2013, Yerevan, Armenia

19- Comorbidity of Attention Deficit Hyperactivity Disorder in Children and Adolescents with Epilepsy. **Shahrokh Amiri**(*Presenter*) (Poster Presentation)

11th International Congress of Epilepsy. 28-30 January 2015, Tehran – Iran

20- Comorbidity of Depression and Mania in Children and Adolescents with Epilepsy: A Study in Tabriz. **Sharokh Amiri**(*Presenter*). (Poster Presentation)

11th International Congress of Epilepsy. 28-30 January 2015, Tehran – Iran

21- Role of electrophysiologic tools in assessment and diagnosis of ADHD. **Sharokh Amiri**(*Presenter*). (Oral Presentation)

7th International Congress of Child & Adolescent Psychiatry. 12-14 May 2015,
Tehran – Iran

22- Plasma and Red Blood Cells fatty acid composition in boys with and without Attention Deficit Hyperactivity Disorder (ADHD). **Shahrokh Amiri (Presenter)**, Parisa Mousavi, Bahram Pourghasem Gargari, Masoud Darabi, Ayyoub Malek.
(Oral Presentation)

7th International Congress of Child & Adolescent Psychiatry. 12-14 May 2015,
Tehran – Iran
