## **Education**

- 2018: Medical Ethics short-term educational course for academic members, Tabriz University of Medical Sciences, Tabriz, Iran
- 2016 : Research opportunity on Neuromodulation in Capa Faculty of Medicine, Istanbul University, Turkey
- 2010 : Post-graduate Course, Tabriz University of Medical Sciences, Tabriz, Iran
- 2007: Board certified in psychiatry , Shahid Beheshti University of Medical Sciences, Tehran, Iran
- 2000: General Practitioner, Tabriz University of Medical Sciences, Tabriz, Iran

## **Professional Positions and Employment**

- From 2023 onwards: Head of Research Center of Psychiatry and Behavioral Sciences, Tabriz University of Medical Sciences
- From 2022 onwards: Chief Editor of Medical Journal of Tabriz University of Medical Sciences
- From 2022 onwards: Member of University Committee for Medical and Health Research Ethics at Tabriz University of Medical Sciences
- From 2023 onwards: Editorial Board member of the Journal of Spirituality Research in Health Sciences
- From 2020 to 2022: Associate Editor of Medical Journal of Tabriz University of Medical Sciences
- 2015- present: Head of Neurosciences Ward at Razi Psychiatric Hospital, Tabriz University of Medical Sciences

- 2013- present: Lecturer at Iranian Scientific Society of Clinical Hypnosis
- 2015- 2023: Chief of Educational ward of Farabi/Shafa at Razi Psychiatric Hospital, Tabriz University of Medical Sciences
- 2015- 2023: Research Director at Department of Psychiatry, Tabriz University of Medical Sciences
- 2023-present: Full professor at Tabriz University of Medical Sciences
- 2018- 2023: Associate professor at Tabriz University of Medical Sciences
- 2014- 2018 : Assistant professor at Tabriz University of Medical Sciences
- 2013- 2013: Assistant professor at Department of Psychiatry, Shahid Beheshti University of Medical Sciences
- 2010- present : Member of psychiatric commission of East Azerbaijan Province at Legal Medicine Organization
- 2010-2011: Head of department at Faculty of Medicine, Tabriz Azad University
- 2009-2011: Member of education and ranking evaluation team at Tabriz University of Medical Sciences
- 2009-2012: Students Supervisor at Faculty of Medicine, Tabriz Azad University
- 2005-2008: Member of production editors and the editor of Pejouhandeh at Shahid Beheshti University of Medical Sciences
- 2002-2005: Editor of Medical Journal of Tabriz University of Medical Sciences ( MJTUOMS)

## **Professional Memberships**

- Board member of Azerbaijan Psychiatric Association Since 2010
- Iranian Scientific Society of Clinical Hypnosis Since 2006

## **Honors and Awards**

- Second Place Award for book translation, Student Yearbook Festival, University of Tehran in 1998
- Certificate of Appreciation for book translation, the 13th Festival of Student Yearbook, University of Tehran in 2007
- One of the ten top young psychiatrists of Asia Pacific, Psychiatric Association of Asia Pacific in 2011
- Selected as the top Scientific Expert of Radio Programs in 2015, Broadcasting Center of East Azerbaijan, Iran
- Selected as a distinguished Professor for education at Tabriz University of Medical Sciences in 2023

## **Teaching**

    Lectures and courses in:

- Life skills
- Maturation and Puberty
- Marriage consultation
- Transgender and Identity studies
- Hypnotherapy
- Paper Writing
- Domestic violence and child abuse

## Publications

A Matched Case-Control Study of the Serum Level and Gene Expression of IL-6 and IL-12 in Patients with Schizophrenia Spectrum Disorder: An Azeri Acute Phase/Recent-Onset Psychosis Survey (ARAS) Study. *Arch Neurosci*. 2024

Effects of transcranial direct current stimulation (tDCS) on positive and negative symptoms in patients with schizophrenia. *J Res Clin Med*. 2024

Relationship Between General Health Domains and Pedestrian Safety Behavior: A Cross-Sectional Study. *Health Scope*. 2024; 13 (1)

Self-stigma, religiosity, and perceived social support in people with recent-onset psychosis in the Islamic Republic of Iran: Associations with symptom severity and psychosocial functioning. *International Journal of Social Psychiatry*. 2024

PERSIAN traffic safety and health cohort: a population-based precrash cohort study. *BMJ Open*. 2024; 14 (2)

Analysing the behaviour change of brain regions of methamphetamine abusers using electroencephalogram signals: Hope to design a decision support system. *Addiction Biology*. 2024; 29 (2)

A meta-analysis of systematic reviews and meta-analyses to evaluate the psychological consequences of COVID-19. *BMC psychology*. 2023; 11 (1): 279

MicroRNAs and pro-inflammatory cytokines as candidate biomarkers for recent-onset psychosis. *BMC psychiatry*. 2023; 23 (1): 631

The therapeutic effect of the extracts of *Lavandula angustifolia* and *Dracocephalum ruyschiana* besides sertraline on patients with mild to moderate depression: A double-blind controlled trial. *Phytomedicine Plus*. 2023

Investigation of salivary bio-markers IL-6, IL-1 beta, and TNF-alfa in burning mouth syndrome: A systematic Review. *Middle East Journal of Rehabilitation and Health studies*. 2023

Assessment of Neuropsychiatric Indicators in Children and Adolescents with Primary Brain Tumors and Other Brain Space-Occupying Lesions Before and After Surgery. *Iran J Child Neurol.* 2022; 16(3): 145-156.

The Effect of Behcet's Disease on Female and Male Sexual Functions. *Iran J Psychiatry Behav Sci.* 2022; 16(2)

PERSIAN Traffic Safety and Health Cohort: a study protocol on post -crash mental and physical health consequence. *Inj Prev.* 2022; 28(3): 269-279

Molecular Study of STin2 (intron 2) Variant of the SLC6A4 Gene in Children and Adolescents with Attention-deficit Hyperactivity Disorder. *Iran J Psychiatry Behav Sci.* 2022; 16(4)

Molecular Evaluation of Ex3 VNTR Polymorphism of the DRD4 Gene in Patients with Autism Spectrum Disorder. *Iran J Child Neurol.* 2022; 16(4): 23-31

Demographic Characteristics and Personality Disorders in with Gender Dysphoria in East Azerbaijan Province, Iran. *International Journal of Medical Toxicology and Forensic Medicine.* 2022; 12(2)

ARAS recent onset acute phase psychosis survey, a prospective observational cohort of first episode psychosis in Iran—the cohort profile. *Schizophrenia.* 2022; 8:101

Developing inpatient suicide prevention strategies in medical settings: Integrating literature review with expert testimony. *Asian J of Psychiatry.* 2022

Status and Dimensions of Mental Health with Suicidal Ideations among Students. *Iran J Public Health.* 2021; 50(10):2158-2160.

An Observational Cohort of First Episode Psychosis in Iran: The Azeri Recent Onset Acute Phase Psychosis Survey (ARAS Cohort) Study Protocol. *Frontiers in psychiatry.* 2021; 12

Resting-State Electroencephalographic Coherence in Recently Abstinent Methamphetamine Users. *Int J High Risk Behav Addict.* 2020; 9(4)

Comparison of Working Memory and Executive Function in Patients with Internet Addiction Disorder, Attention Deficit Hyperactivity Disorder, and Normal Individuals. *Int J High Risk Behav Addict.* 2020; 9(2)

Pharmacotherapy for reducing the grief of romantic relationship breakup: a clinical trial. *Iran J Psychiatry Behav Sci.* 2020; 14 (2)

Relationship between temperament and character personality dimensions among suicide attempters in an Iranian population. *Journal of Emergency Practice and Trauma*. 2020; 6 (1): 33-37

Prediction of suicidal ideations based on socioeconomic status and mental health among University of Tabriz students. *J Anal Res Clin Med*. 2019; 7 (2)

Five-Factor Personality Profile in Bipolar Mood Disorder and Borderline Personality Disorder. *Iran J Psychiatry Behav Sci*. 2019; 13 (3)

A Man with Nails and Needles inside: A Case Report of Factitious Disorder. *Iran J Psychiatry Behav Sci*; 2019; 13 (3)

Cognitive function in hospitalized patients with multiple sclerosis: A case control study. *Arch Neurosci*. 2019; 6(3)

Prediction of socioeconomic status and mental health with suicidal ideations among university of Tabriz students. *J Anal Res Clin Med*. 2019; 7(2): 52-60

Personality Traits in Patients with Panic Disorder According to the Presence of Agoraphobia. *Iran J Psychiatry Behav Sci*. 2018

Sexual Dysfunction Prevalence in Women with Type 2 Diabetes Mellitus. *Advances in Bioscience and Clinical Medicine*, 2018

Personality profiles and clinical syndromes of patients with tonic-clonic seizures. *JARCM*. 2018

The relationship between attention-deficit/hyperactivity disorder and trauma in adolescents. *Journal of Emergency Practice and Trauma*. 2018

The Assessment of Behavioral Approach and Behavioral Inhibition Systems in Mood Disorders. *Basic and Clinical Neuroscience*. 2018

Efficacy of Self-hypnosis in Pain Management of Female Patients with Multiple Sclerosis. *International Journal of Clinical and Experimental Hypnosis*. 2017

The prevalence and risk factors of attention deficit hyperactivity disorder among the elementary school students in Ardabil, Iran, in 2011-2012. *J Anal Res Clin Med*. 2016

Knowledge and Attitude of Parents of Children with Attention Deficit Hyperactivity Disorder towards the Illness. *Iran J Psychiatry Behav Sci*. 2016

Efficacy of intramuscular haloperidol versus haloperidol plus promethazine in controlling aggressive behavior of psychiatric patients admitted to emergency rooms, *International Journal of Applied Behavioral Sciences*. 2015

Relationship between Personality Profiles and Suicide Attempt via Medicine Poisoning among Hospitalized Patients: A Case-Control Study, *International scholarly Research notices*. 2014

Psychiatric Comorbidities in ADHD Children: An Iranian Study among Primary School Students, *Archives of Iranian Medicine*. 2013

Sexual Knowledge among High School Students in Northwestern Iran. *ISRN Pediatrics*. 2012

A Study on the sources of sexual knowledge acquisition among high school students in the North-West of Iran. *Archives of Iranian Medicine*. 2010

Co-morbidity of Anxiety Disorders and Substance Abuse with Bipolar Mood Disorders and Relationship with Clinical Course. *Iran J Psychiatry*. 2009

Depression rate among 18-40 year-old patients suffering from generalized tonic-clonic epilepsy referred to Neurology Clinics in an Iranian hospital. *Neurosciences*. 2008

Do Mental Health and Self-Concept Associate with Rhinoplasty Requests? *Journal of Plastic, Reconstructive & Aesthetic Surgery*. 2008

Relationship between Female Sexual Difficulties and Mental Health in Patients Referred to Tow Public and Private Settings in Tehran, Iran. *J Sex Med*. 2007

Epilepsy presenting panic attacks and hallucinatory experiences as drug side-effect: A case report, *Annals of General Psychiatry*. 2007

Mental Health Status of Employees in Substations of Electromagnetic Fields at Extremely Low Frequency in Tehran, Iran. *J Environ Health Sci Eng*. 2006

## **Publications in Domestic Journals**

Qualitative investigation of the role of traumatic family factors in the formation of non-adaptive defense mechanisms of people with borderline personality disorder: a grounded theory study. *J Family Counseling and Psychotherapy*. 2023; 12(2)

Risky driving behaviors: Scoping review. *Med J Tabriz Uni Med Sciences*. 2023; 45 (4): 290-304

Relationship between Anxiety Sensitivity and Experiential Avoidance with students' Spiritual Vitality. *Spirituality Research in Health Sciences*. 2023; 1 (2): 154-165

The comparison of memory and executive functions in adults with type II diabetes and healthy people. *Med J Tabriz Uni Med Sciences*. 2022; 44(1): 7-14

Indexing of Medical Journal of Tabriz University of Medical Sciences in Scopus database in 2021. *Med J Tabriz Uni Med Sciences*. 2022; 44(2): 86-87

Evaluation of validity and reliability and producing of application for St. Hans rating scale for extrapyramidal syndromes *Med J Tabriz Uni Med Sciences*. 2022; 44(3): 200-209

Confirmatory Factor Analysis of Problematic Internet Entertainment Use Scale for Adolescents (PIEUSA). *Quarterly Journal of Family and Research*. 2021; 18 (1): 105-120

The comparison of oral health and xerostomia between hospitalized patients with schizophrenia and normal individuals. *Med J Tabriz Uni Med Sciences*. 2021; 43(1):7-15.

Socioeconomic Status, Personality Traits, Coping Styles, and Mental Health of the Parents of Children with Autism Spectrum Disorder. *Quarterly Journal of Family and Research*. 2020; 17 (3): 89-104

The effects of methamphetamine use on Quantitative EEG characters in an Iranian population. *Koomesh*. 2019; 21: 656-660.

Assessing Quality of Life and General Health Status in Married Women with Type II diabetes in Tabriz. *Depiction of Health*. 2018

Coherence abnormality of Temporal and Frontal areas in children with ADHD-combined type. *Applied Psychological Research Quarterly*. 2016

The relationship between demographic characteristics and mental health with hypnosis rate of women with multiple sclerosis, *Iranian Journal of Psychiatric Nursing*. 2015

The Effects of Self-hypnosis on the Severity and Quality of pain in women with Multiple sclerosis: a randomized clinical trial. *Journal of Nursing and Midwifery faculty of Urmia*. 2015

Smoking cessation after coronary artery bypass graft in military patients: Randomized clinical trial. *Journal of Military Psychology*. 2010

Rate of Agreement of clinical interview and MMPI in Diagnosis of psychiatric Disorders, Journal of Behavioral Sciences, *Journal of Behavioral Sciences*. 2008

Relationship between Depression and Degree of Pain Feeling in Patients with Migraine Headache, *Journal of Behavioral Sciences*. 2008

Frequency of Symptoms of Depression, General Anxiety, Obsessive-Compulsive and Phobia in inter-ictal phase in Patients with Epilepsy. *Medical Science Journal of Islamic Azad University-Tehran Medical Branch*. 2008

Correlation between Women's Psychopathological Condition and Marital Satisfaction. *Pejouhandeh*. 2007

Knowledge and attitudes of couples referred to counseling centers about the correct sexual relationships. *Hayat*. 2007

Idiopathic Calcification of Basal Ganglia (Fahr's Syndrome) with Neuropsychiatric Manifestations: A Case Report. *Current Journal of Neurology (Iranian Journal of Neurology)*.2007; 5 (14): 10-16

Association between aggression and severity in patients with post-traumatic stress disorder (PTSD) referred to Baqiyatallah psychiatric clinic in 2005. *Pejouhandeh*. 2006

Frequency of anti-thyroid autoantibodies in patients with chronic hepatitis C and its relation to virus Genotype. *Pejouhandeh*. 2006

## **National Conferences**

- The mental health status and life quality of women with type II diabetes mellitus in Tabriz city. 35th Annual Congress of Iranian Psychiatric Association. Tehran, 2018
- Application of rTMS in psychiatry: from dream to reality! 13th Consecutive Annual Congress of the Iranian Psychiatric Association, 2016
- Neurobiological aspects of depression, Eleventh Consecutive Annual Meeting of the Iranian Psychiatric Association,2014
- Hypnotherapy in the alleviation of pain in children, Sixth International Congress of Child and Adolescent Psychiatry (Tabriz),2013
- Study of personality profiles of patients attempted suicide for first-time by drug toxicity, National Congress on suicide and related behaviors (Zanjan),2011
- Modern psychiatric treatment approaches in neurological disorders, Tenth Consecutive Annual Meeting of the Iranian Psychiatric Association,2010

## International Refereed Conferences

- New therapeutic approaches in female sexual dysfunctions. Tabriz International Functional Urology (TIFU) congress; Tabriz, 2022.
- Attention, working memory and executive functions in patients with internet addiction disorder. *Journal of Injury and Violence Research*, 2019; (Suppl) 11(4).
- Therapeutic effect of transcranial direct current stimulation on working memory of patients with recent onset schizophrenia: a randomized controlled study. *Schizophr Bull.* 2020 May; 46(Suppl 1): S148
- Azeri recent onset acute phase psychosis survey (ARAS cohort): preliminary reports from an observational cohort of first episode psychosis in Iran. *Schizophr Bull.* 2020 May; 46(Suppl 1): S288–S289.
- Sexual dysfunction in Behçet disease. 18th International Conference on Behçet's Disease. Clinical and Experimental Rheumatology; 2018
- Gender dysphoria: past, present and future in psychiatry. The 12th International Congress of Endocrine Disorders. Tehran; 2018
- Relationship between Trauma Severity and Attention Deficit/ Hyperactivity Disorder Symptoms in Children. Sixteenth National Congress and Third International Congress of Neurology in Iran – Tabriz; 2016
- Relationship between Trauma Severity and Attention Deficit/ Hyperactivity Disorder Symptoms in Adolescents. First International Congress of Emergency Critical Care. Tabriz, Iran; 2016
- Effect of Parent Management Training on Executive Functions in Children with Attention Deficient/Hyperactive Disorder, Sixth International Congress of Child and Adolescent Psychiatry (Tabriz); 2013

- Does female psychopathology correlate with marital satisfaction? 4th World Congress on Women's Mental Health, Madrid; 2011
- Epilepsy presenting panic attacks and hallucinatory Experiences as drug side-effect: A case report, 3rd International Congress on Brain and Behavior, Greece; 2007

## **Master and Doctorate Theses Supervision**

Yaghoub Khodabandeh. **Specialty degree in psychiatry.** Knowledge and attitudes of health care workers of East Azerbaijan province toward gender dysphoria.

Leila Azarmi. **Specialty degree in psychiatry.** The relationship between mental health literacy and the satisfaction of basic needs in people diagnosed with gender.

Asal Raeesnia. **MD degree.** Prevalence of transphobia among medical students in comparison with non- medical university students.

Sahba esmaeilzadeh. **DMD Degree.** Evaluation of salivary biomarkers IL-6, IL-1 $\beta$  and TNF- $\alpha$  in Burning mouth syndrome (systematic Review).

Faezeh Hashemi. **MD degree.** Study of Relationship between personality traits , anxiety sensitivity and illness anxiety.

Reza Kheikhosravi. **Specialty degree in psychiatry.** An Affect Regulation Training (ART) Based Treatment on Psychological Distress and Prevention of Drug Use Relapse in Individuals with Methamphetamine Use Disorder.

Morteza Asadi: **Specialty degree in psychiatry.** Controlled study of plasma levels and expression of IL-12 and IL-6 Genes in patient with schizophrenia.

Negin Nejhad-ettehad: **Specialty degree in psychiatry.** Evaluating the expression of mir26a, mir125b, mir106a and their relationship with the expression of TNF $\alpha$ , IL6 و IL1 $\beta$  genes in patients with schizophrenia

Farnaz Chalabianlou: **Specialty degree in psychiatry.** Efficacy of tDCS on Total and Phosphorylated Tau Protein Serum Levels in Patients with Schizophrenia.

Mohsen Jafarzadeh-Ghareziaddin: **MSc degree.** Effect of transcranial direct current stimulation on positive and negative symptoms of patients with recent onset schizophrenia: a randomized controlled study.

Ali Bazzaz-Haghighat: **Specialty degree in psychiatry.** Total Tau and Phosphorylated Tau Protein Serum Levels in Patients with Schizophrenia Compared with Controls.

Zahra Mohamadzadeh: **Specialty degree in psychiatry.** Comparison of attention, working memory and executive function in people with Internet addiction, ADHD adults and healthy people.

Zahra Mousavi: **Specialty degree in psychiatry.** Comparison of cognitive functions of patients with multiple sclerosis and healthy people.

Parisa Hosseinejhad: **MD degree.** Evaluation of demographic characteristics, karyotype and Personality profiles of volunteers for sexual reassignment surgery

Ariyan Amiorroaya: **MD degree.** Frequency and severity of major depressive disorder among survived hospitalized patients with pneumonia.

Sina Abbaszadeh: **MD degree.** Evaluation of thyroid function profile in patients with major depressive disorder.

Behnaz Pazouki: **MD degree.** Investigating the Symptoms of psychiatric disorders in Rhinoplasty volunteers.

Narges Hejazi: **DMD degree.** Evaluation of symptoms of psychological disorders in oral and dermal lichen planus patients referred to Tabriz Sina hospital.

Sepehr Pirzadeh: **MD degree.** Translation and evaluation of face validity and reliability and producing the application for st.Hans rating scale for extrapyramidal syndromes in Farsi language

Maryam Panahzadeh: **MD degree.** Sexual dysfunction and psychiatric problems in patients with Behçet's disease compared with healthy individuals.

Azadeh Ahmadi: **MD degree.** Personality Profiles of Suicide Attempters through Drug Poisoning at Sina Hospital in Tabriz, Iran: A Case – Control Study.

Sepideh Omidbakhsh: **MD degree.** Effect of Parent Management Training on Attention, and executive functioning in children with Attention Deficient/Hyperactive Disorder

Javad Abdollahi- Rashid: **MD degree.** Relationship between Trauma Severity and Attention Deficit/ Hyperactivity Disorder Symptoms in Children.

Nasim Raashedi: **MD degree.** Relationship between Trauma Severity and Attention Deficit/ Hyperactivity Disorder Symptoms in adolescents.

Nima Sarihi: **MD degree.** The relationship between temperament and personality characters in cases of attempted suicide by drug poisoning.

## Master and Doctorate Theses Advisory

Simin Hajizadeh. **MSc degree.** Design and evaluation of a mobile application for panic attack self-management using heart rate measurement and pranayama technique

Afsaneh azimi. **MD degree.** One-year change in level of perceived stigma in patients with first episode psychosis and role of demographic factors

Monireh Abdi. **MSc degree.** The effects of Ocumum Bsilicum on postpartum depression: A randomized clinical trial.

Mehran Sardareh. **MSc degree.** Designing a management framework for improving the mental health literacy of the elderly in Iran's health system.

Gholamreza Namvar. **PhD degree.** Investigation of the brain Photobiomodulation on psychometric, and electrophysiological markers of the craving during methamphetamine abstinence: An Event-Related Potentials study

Sara Tajlil. **MD degree.** Psychometric properties of genderism and transphobia scale(GTS)

Simin Hajizadeh. **MSc degree.** Design and evaluation of a mobile application for panic attack self-management using heart rate measurement and pranayama technique.

Ali Ebrahimi: **DMD degree.** Comparison of oral and dental health status between inpatients with schizophrenia at Razi hospital of Tabriz and healthy controls.

Forough Mostafanejhad-Asl. **MD degree.** Evaluation of mental health status of students with educational problems in Tabriz University of medical science in 2018-2019

Armin Gholparvar-Atashi: **MD degree.** Sexual Dysfunction in Male Patients with High Blood Pressure.

Ali Sadeghzadeh. **Specialty degree in psychiatry.** Assessing the methylation of gene promoter of 5ht3a receptor in serum of patients with schizophrenia.

Zahra Jahangiri. **Specialty degree in psychiatry.** The efficacy of Rivastigmine augmentation to Antipsychotic Agents on positive and negative symptoms and quality of life in Patients with Chronic Schizophrenia

Negar Pourhossein. **MD degree.** Molecular Analysis of STin2 (intron 2) variant of SLC6A4 gene in children with Attention Deficit Hyperactivity Disorder

Arman Mohammadi: **MD degree.** Molecular Analysis of Ex3 VNTR polymorphism of DRD4 gene in Autism patients in northwest of Iran

Hakimeh khoshbooy. **Specialty degree in psychiatry.** Personality profiles and ADHD in high-risk drivers.

Behnaz Hosseintorabi. **MD degree.** Case controlled study of therapeutic effect of transcranial direct current stimulation on working memory in recent onset schizophrenia

Sona Sadeghpour: **Specialty degree in psychiatry.** Neural Network Analysis via Coherence in Electroencephalography of Methamphetamine Users.

Azar Heidarzadeh: **Specialty degree in psychiatry.** The evaluation of the effect of adding Clonidine to Sertraline in the severity of attachment and suffering from detachment in depression of the post-breakup women.

Samira Nasehi: **Specialty degree in psychiatry.** Neuropsychological study in children and adolescents with brain tumors before and after surgery.

Amir Bozorg: **MD degree**. The Comparison of impulsivity and aggressive behavior in people with borderline personality disorder and bipolar II disorder.

Roghghie Naghizadeh: **MD degree**. Comorbid psychiatric disorders in patients with nocturia in patients in clinics of Tabriz University of Medical Sciences.

Elnaz Zamanzadeh-Ghavidel: **DVM degree**. Clinical Survey on the effects of oral supplementation of apple vinegar and cellular and biochemical factors associated with the nervous system in Qezel lambs.

Mohammad Yahyavi: **MSc degree**. Personality profiles in patients with tonic-clonic seizures.

Fariba Hosseinzadegan: **MSc degree**. The effect of self- hypnosis on pain in women with multiple sclerosis referring to the Urmia MS association.

Tara Farrokhnezhad: **MSc degree**. Efficacy of dialectical behavior therapy based on emotion regulation skills training on reducing emotional symptoms of Patients with borderline personality disorder.
